GENERAL INFORMATION

This publication is designed to assist media covering Kansas volleyball. Any questions or requests may be directed to the KU Media Relations office.

MEET THE PLAYERS AND STAFF

The 2008 Kansas team returns six starters and 11 letterwinners from last year's squad and boasts four talented newcomers. Head coach Ray Bechard and his staff know what it takes to create a winning team after leading KU to three NCAA Tournament appearances (2003, 2004, 2005).

2007 SEASON IN REVIEW

In 2007, the Jayhawks bid farewell to two seniors who made two of KU's three NCAA appearances.

THIS SEASON'S OPPONENTS

KU will face a tough non-conference schedule early in the season before entering Big 12 play with some of the nation's top teams.

HISTORY AND RECORDS

The Jayhawks will look to rewrite the KU record books in 2008 after departing seniors set new career marks last season.

THIS IS KANSAS

KU ranks among the best schools in the country – in both academics and athletics.

MEDIA INFORMATION

WELCOME TO KANSAS ATHLETICS

Kansas Athletics and the media relations office welcomes your interest in KU volleyball and will make every effort to ensure that you enjoy your coverage of the Jayhawks. The KU media relations office will be available throughout the 2008 volleyball season to accommodate any media requests. Any additional questions should be directed to Christine Dieckmann, Assistant Media Relations Director. She can be reached at 785-864-7942 or email at cdieck@ku.edu.

HOREJSI FAMILY ATHLETICS CENTER & PARKING

The Horejsi Family Athletics Center, the home of Jayhawk volleyball, is located just southwest of historic Allen Fieldhouse on the campus of the University of Kansas. Media members should use the northeast entrance of Horejsi, where a pass list will be located for all home matches.

Parking is available on a first-come, first-serve basis in the KU parking lots to the east and south of the Horejsi Family Athletics Center. The KU Parking Department has been asked not to ticket cars parked in these lots on gamedays.

MEDIA SERVICES

Media seating, as well as radio broadcasts, will be available courtside on the north side of the Horejsi Court. The facility has wireless internet access. Notes, statistics and rosters are provided by the media relations office prior to each match. Following each game, the KU media relations office will provide final boxscores.

The Horejsi Family Athletics Press Row number is 785-864-0169. Additional phone and ethernet lines will also be available on a first-come, first-serve basis. Requests for radio broadcast rights must be made through the KU media relations office one week prior to a match.

Media wishing to file from the media relations office in Allen Fieldhouse may also do so. The office is located on the first floor in room 106 (northeast corner) and offers desk space, phone lines, copiers and fax machines.

INTERVIEW POLICIES

Media wishing to interview head coach Ray Bechard or student-athletes should contact assistant media relations director Christine Dieckmann at 785-864-7942 or e-mail cdieck@ku.edu. Both student-athletes and coaches will be available for interviews prior to and following most practices. Student-athlete interviews should be coordinated through the media relations office at least 24 hours in advance. Additionally, KU athletes may also be made available following regular football press conferences on Tuesdays throughout the fall. Other arrangements may be made at the coach or student-athlete's convenience.

Following all home matches, Bechard and requested student-athletes will be available outside the lockerroom following a brief cool down period. For radio and televised games, coaches and athletes will be available following those media obligations.

PHOTOGRAPHERS

Accredited photographers will be permitted to shoot from the floor in front of press row on the north side of the gym. Photographers are asked not to shoot from behind either team's bench or behind the serving line on each end of the court.

CREDENTIAL REQUESTS

All requests for working press, photo and broadcast credentials to KU home matches should be submitted by e-mail or phone to:

Christine Dieckmann, Assistant MR Director
Phone: 785-864-7942
E-mail: cdieck@ku.edu

Requests should be made no less than 24 hours prior to a match. Season media credentials will be available for pick up in the media relations office prior to and during the regular season during business hours. Media names and outlets will also be listed via a pass list at the Horejsi media entrance.

GETTING RESULTS

Rosters, schedules, student-athlete and coaches bios, weekly releases, statistics and match results can be found throughout the season on kuathletics.com, the official website of Kansas Athletics. Following each match, results and scores will be reported on the Jayhawk Hotline. To access the hotline, call 785-864-3355 then dial "6" for volleyball.

Media wishing to be added to our e-mail list to receive releases and match results throughout the season should e-mail cdieck@ku.edu.

WWW.BIG12SPORTS.COM

The Big 12 official athletics Web site can be accessed by visiting www.big12sports.com. Volleyball information is updated daily with new material including standings, statistics, notes and other information. Links to each Big 12 school's athletic department home page is also located on the site.

KU INJURY POLICY

Injury information pertaining to a student-athlete will be released to the media through the media relations office after authorization from the head coach. It is appropriate for the head coach to answer questions and give updates about student-athlete injuries if they choose to do so. Members of the athletic training staff are not available for interview pertaining to specific student-athlete injuries or updates.

The Horejsi Family Athletics Center has served as the home of Kansas volleyball since its opening on Sept. 1, 1999. The \$3.8 million project was completed shortly after the conclusion of the 1998 volleyball season. In addition to serving as the practice and competition home of the KU volleyball team, the Horejsi Center also acts as a practice facility for the Jayhawk men's and women's basketball teams.

Located between the Wagnon Student Athlete Center and Hogleund Ballpark just west of historic Allen Fieldhouse, the 16,500 square foot facility seats 1,300 fans for Kansas volleyball matches.

Besides housing practice and competition courts for both volleyball and basketball, the Horejsi Center boasts the KU volleyball lockerroom (top left), team room (bottom left), concession stands and a ticket booth.

As part of a \$55 million renovation and new construction project to Kansas Athletics facilities, construction will begin on the Horejsi Family Athletics Center at the conclusion of the 2008 volleyball season in which a visiting team lockerroom and officials room will be added. Additional seating will also be added to increase the Horejsi Center's capacity to 2,000 patrons.

On Sept. 1, 1999, KU defeated UMKC, 3-1, in the first match inside the Horejsi Family Athletics Center. The official dedication ceremony was held prior to the Kansas-Auburn match on Sept. 11, 1999, during the Jayhawk Classic tournament.

"The Horejsi Family Athletics Center not only gives us top-notch practice courts, but it provides us with a court that makes home matches at KU an exciting event to be a part of," said KU head coach Ray Bechard.

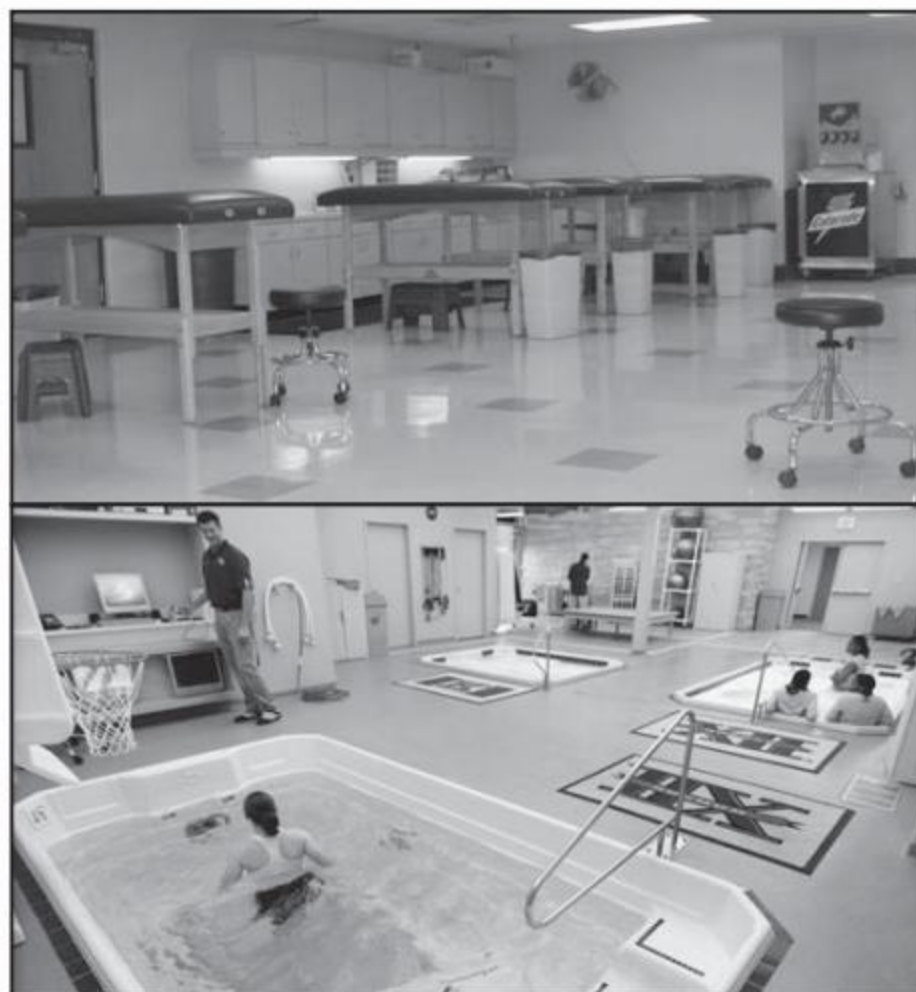

DEAN NESMITH ATHLETIC TRAINING FACILITY

Completed in 1994, the Dean Nesmith training facility is one of the finest in the nation. Under the direction of Director of Sports Medicine Murphy Grant, the training room staff focuses on providing the best health care standards possible to keep Jayhawks healthy and injury-free.

The 4,000 square-foot facility contains hydrotherapy and treatment areas with private examination rooms, a rehab station, taping and first aid areas and staff offices.

AQUATIC REHAB CENTER

The Aquatic Rehabilitation Center houses three Hydroworx pools. The Polar-Plunge pool is kept at a constant 58 degrees to help control joint inflammation and enhance muscle recovery. The Thermal-Plunge pool is kept a constant 104 degrees to relax tight muscles and stimulate the release of endorphins. The Thermal-Plunge unit also has a powerful pressure hose for deep tissue massage. The focal point of the new facility is the Hydroworx 1000 therapy pool. The therapy pool is equipped with: an integrated underwater treadmill, two powerful underwater jets that can give added resistance to the individuals training or rehabilitation workout and two underwater cameras that show two views for visual feedback during gait training. The Hydroworx 1000 is utilized for early rehabilitation exercises and therapeutic soft tissue massage under the guidance and supervision of the University of Kansas Sports Medicine Staff.

ANDERSON FAMILY STRENGTH & CONDITIONING CENTER

The \$8 million, 42,000-square-foot Anderson Family Strength and Conditioning Center, which features state-of-the-art weight training equipment, a cardiovascular workout area, meeting rooms and lockers, opened for KU student-athletes in 2003.

KU graduates and Los Angeles residents Dana and Sue Anderson pledged the funds to the Kansas University Endowment Association on behalf of their family, including their four children, for the one-of-a-kind strength and conditioning center. Built on existing university property at the northwest corner of Anschutz Sports Pavilion, the two-story center replaced the Shaffer-Holland Strength Center.

HOK Sport of Kansas City, Mo., was awarded the contract to design the \$8 million Anderson Family Strength and Conditioning Center and the weight room was built by Turner Construction. HOK Sport has been involved with more than 20 strength and training facilities worldwide and has been involved in sport facility projects at nearly every level.

Jayhawks Go In Search of Fourth NCAA Tournament Appearance In 2008

OVERVIEW

Last year's Kansas volleyball roster had seven newcomers making up nearly half of the 16-woman roster. Now those newcomers have turned into veterans, which means experience, and that can make a whole lot of difference for the 2008 season. The Jayhawks return 11 letterwinners, six of them starters, while welcoming four new faces to the team.

Eleventh year head coach Ray Bechard, who has led KU to its three NCAA Tournament appearances, has watched his team improve tremendously over the last year and believes it will translate into more victories in the season to come.

"The team continued to mature and play some of its best volleyball late in the season last year," said Bechard. "I think that says a lot about the team and shows that they have a lot of potential that they haven't reached yet. The returning experience we have this year will really give them more confidence on the court."

The players put in a lot of extra time to improving their skills during the offseason, while also hitting the weight room and setting individual goals as well as team goals.

"This spring has been very valuable to us," according to Bechard. "The team has worked extremely hard and had a really successful spring season."

SETTERS

With the return of redshirt junior Katie Martincich, a two-year starter at the setter position, Bechard is confident she will take on a leadership role on the court this season and run the KU offense efficiently.

"Now that Katie has two years of experience under her belt and she moves into an upperclassman status, she should become more of a vocal leader for the team," said Bechard. "She has played in both a one setter and two setter rotation, so we know she is comfortable and able to run both."

After using a one setter system two years ago and a two setter system last season, Bechard and his staff plan to mix things up and utilize a combination of both systems in 2008.

Newcomer Nicole Tate out of St. Louis, Mo., will provide the missing link for the dual setter rotation.

Tate, who was ranked the 36th top player in

the class of 2008 by prepvolleyball.com, is a quick player who possesses strong leadership skills and has a great understanding of the setter position.

MIDDLE BLOCKERS

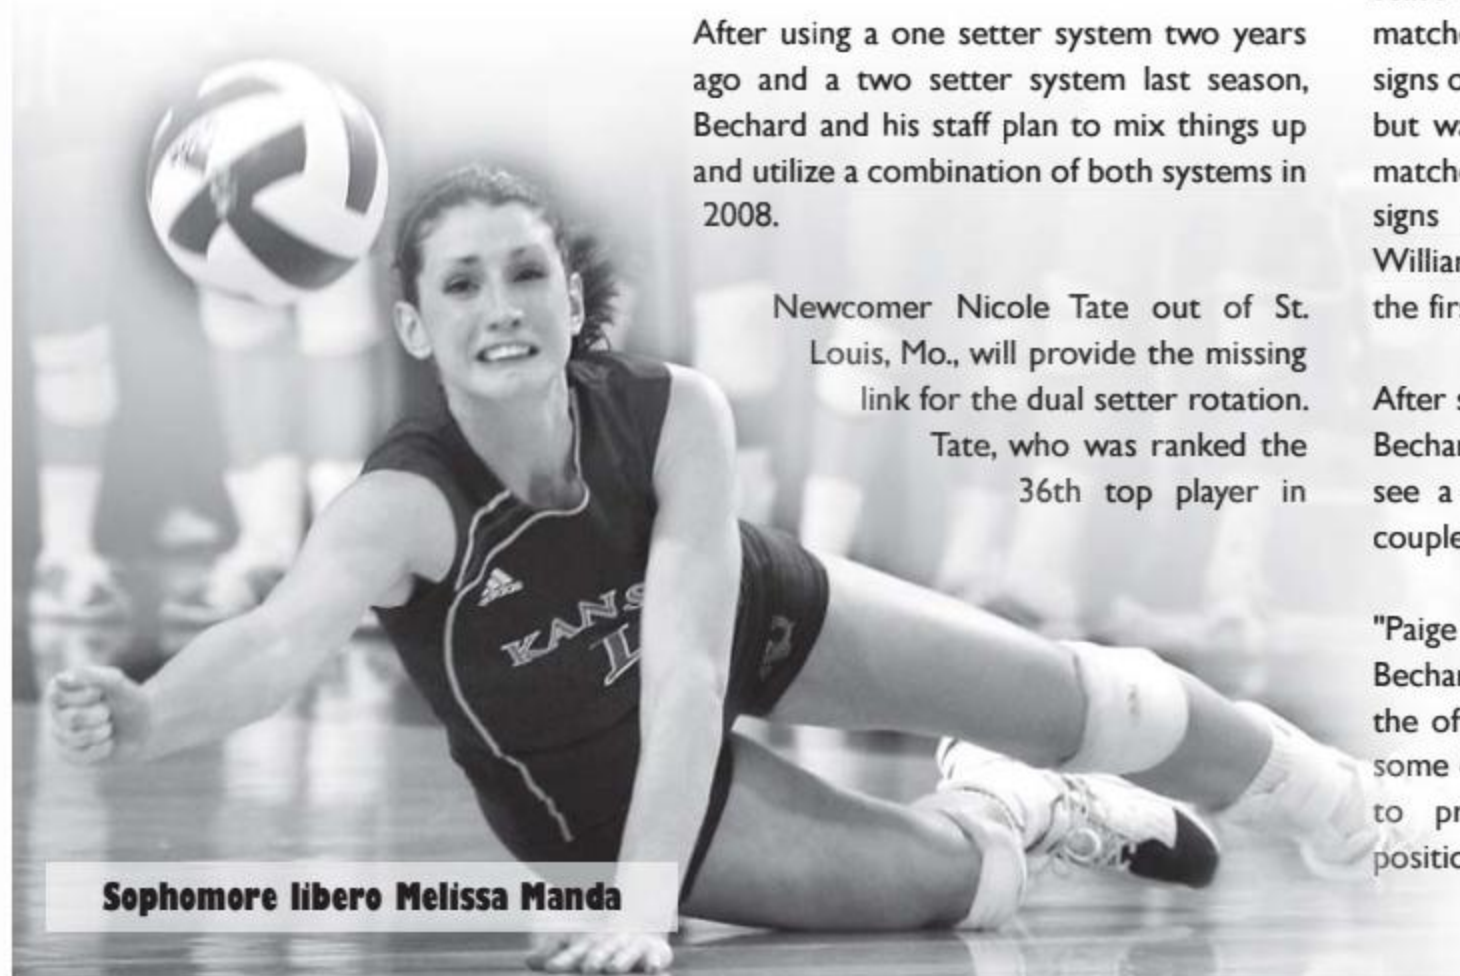

There is no shortage of height and talent in the middle of the court as the middle blocker position has the most experience and depth of any position on the floor for the Jayhawks this year.

Returning redshirt senior Natalie Uhart will be the staple up the middle having started 20 matches in 2007. Uhart was hampered by a health ailment prior to conference play last season, but recovered quickly to regain her starting spot. Heading into this year, Bechard says she will be "a dominant Big 12 middle" as she is a 100 percent healthy and ready to take the court.

Other returning starters include senior Savannah Noyes and junior Brittany Williams. Noyes has played middle for the past three seasons and obviously has a number of matches of experience. Williams showed signs of a strong sophomore season in 2007, but was sidelined with a torn ligament 14 matches in to the season. Like Uhart, all signs point to a complete recovery for Williams, who will be ready to compete on the first day of play.

After seeing limited time the last two years, Bechard believes junior Paige Mazour will see a lot more floor time in 2008 at a couple different spots on the front row.

"Paige had a really great spring season," said Bechard. "She made some good strides in the offseason and played some middle and some outside hitter for us. She will be able to provide depth at both of those positions."

Sophomore libero Melissa Manda

2008 OUTLOOK

Junior setter Katie Martincich

OUTSIDE HITTERS

Flanking the outside of the court, Kansas returns sophomores Jenna Kaiser and Karina Garlington.

"Last year as freshmen, Jenna and Karina learned quickly that the college level is much faster," Bechard said. "But now that they have that year of experience, they will be much more comfortable at the outside position. Both have worked extremely hard in the offseason and it will show this year as they will be much more relaxed on the court."

Also returning is sophomore Carol Américo. After seeing playing time in 13 games a year ago, Américo suffered a torn ACL during the spring and is working to get her knee back into shape. When healthy again, the Brazil native is capable of playing any position across the front line and also shows good platform skills as well.

New to the squad are Allison Mayfield (Overland Park, Kan.), Corrinne Stringer (Topeka, Kan.) and Lauren Hagan (Whitesville, Ky.), who are also listed as outside hitters.

"Allison has the talent to be a six rotation player," said Bechard. "She possesses great defensive skills in addition to her front row skills."

Stringer brings a heavy arm and a great physical presence to the front line, while Hagan, who is capable of playing all three positions across the front, has good ball handling skills that could allow her to play in the back court as well.

DEFENSIVE SPECIALISTS/LIBERO

The KU defense will once again feature the Melissa trio of Melissa Manda, Melissa Grieb and Melissa (Mel) Townsend.

Manda had a solid freshman season as the team's starting libero for all 30 matches last year, giving her the advantage in winning this year's starting role once again.

"Grieb and Townsend will be extremely valuable for us this year," according to Bechard. "We will be playing two, possibly three, liberos this year and we will need them to step in and provide depth for us there."

Townsend, who was used mainly as a serving specialist last season, will be able to play an expanded role this year as she has increased her range and defensive skills.

THE COACHING STAFF

Bechard, who enters his 11th season as head coach of the Jayhawks, became the program's winningest coach last season improving his overall record at KU to 161-144. He led the Jayhawks to their first NCAA Tournament appearance in 2003 and earned postseason bids in 2004 and 2005. Kansas' sixth head coach has produced five All-Big 12 First Team selections, as well as 52 academic all-conference honorees during his tenure.

Bechard is assisted by Christi Posey, who has been coaching the Jayhawks for eight seasons, along with first year assistant coach

Ken Murczek and volunteer assistant Kevin Buhr, also in his first year with the Kansas coaching staff.

THE 2007 SCHEDULE

Another challenging schedule awaits the Jayhawks in 2008. KU will go up against eight teams who advanced to the NCAA Tournament a year ago, including six from the Big 12 Conference.

"We have a lot of quality non-conference opponents on the schedule this season, especially in UAB and Sweet 16 team Oregon," said Bechard. "We will be going up against a lot of teams that have the potential of getting into this year's NCAA Tournament that will prepare us well for conference play."

"The Big 12 will be quite demanding," Bechard said. "Year-in and year-out it has proved that it is one of the best conferences in the nation, and we look forward to the challenge."

Head Coach Ray Bechard

11th season at Kansas / Fort Hays State, 1980

Kansas volleyball's all-time winningest coach returns for his 11th season at the helm of the Jayhawk program in 2008. Ray Bechard has taken the Kansas program to new heights since his arrival in Lawrence prior to the 1998 season. Not only are his 161 wins at KU the most of any previous coach, but the Sunflower State native has established himself as one of the winningest coaches at the collegiate level, compiling a remarkable all-time coaching record of 877-204 (.811 winning percentage) since arriving on the coaching scene 23 years ago.

Over the past 10 seasons at KU, he has led the Jayhawks to a 161-144 mark, three-straight NCAA Tournament appearances from 2003-05 and seven seasons at .500 or better. Additionally, Bechard has brought renewed interest in Kansas volleyball as the Jayhawks annually rank in the nation's top 50 attendance leaders.

Last year, Bechard and his team enjoyed many highlights throughout the 2007 season, including a 3-2 upset over No. 18 Oklahoma and a four-game victory against tournament-bound Missouri State to make Bechard the winningest coach in KU volleyball history. The Jayhawks also picked up a win

at Missouri, marking its first road win in Columbia since 2001.

2007 saw the graduation of senior standout Emily Brown. Brown left her name littered all over the KU record books as she became the first Jayhawk to reach the 1,000 milestone in kills, digs and assists, while also landing on five top 10 career lists.

Two seasons ago, in 2006, KU picked up a Preseason Big 12 Newcomer of the Year selection in Natalie Uhart. Uhart later suffered a season-ending injury prior to the team's first contest and seemed to set the tone for the year as the Jayhawks were hampered with injuries over the course of the season.

Just one year earlier in 2005, Bechard led the Jayhawks to a 15-15 overall record and their third-straight postseason appearance. Despite a depleted roster due to injuries, KU battled No. 16 UCLA to four games in Los Angeles in the NCAA Tournament First Round.

The 2005 season also saw the careers of three talented seniors, Josi Lima, Paula Caten and Andi Rozum, come to a close. Caten became KU's first Academic All-American in volleyball, while Lima, KU's only four-time All-Big 12 First Team selection, finished her career as the Jayhawks' all-time kills leader and one of the most prolific volleyball players in school history. Rozum's name still sits at the top of the career assists list.

In addition to his team's achievements and the individual successes of his seniors, Bechard reached a significant milestone on Sept. 10, 2005, when he coached his 1,000th career match. The Jayhawks commemorated the milestone by defeating visiting Michigan State, 3-0.

In 2004, KU returned to the NCAA Tournament for the second-straight season and fell just short of a Sweet 16 appearance. The Jayhawks defeated Santa Clara, 3-1, before falling to host Washington, 3-2, in second-round action. KU came back from a two-game deficit to battle the Huskies, who advanced to the Final Four in Long Beach, Calif., and won the National Championship in 2005.

In addition to the Jayhawks' return to the postseason, KU enjoyed its first national ranking on Sept. 13 when Kansas came in at No. 24 in the USA Today/CSTV Top 25 Coaches Poll. A week later, Kansas reached its highest national ranking sitting at No. 21 on the poll.

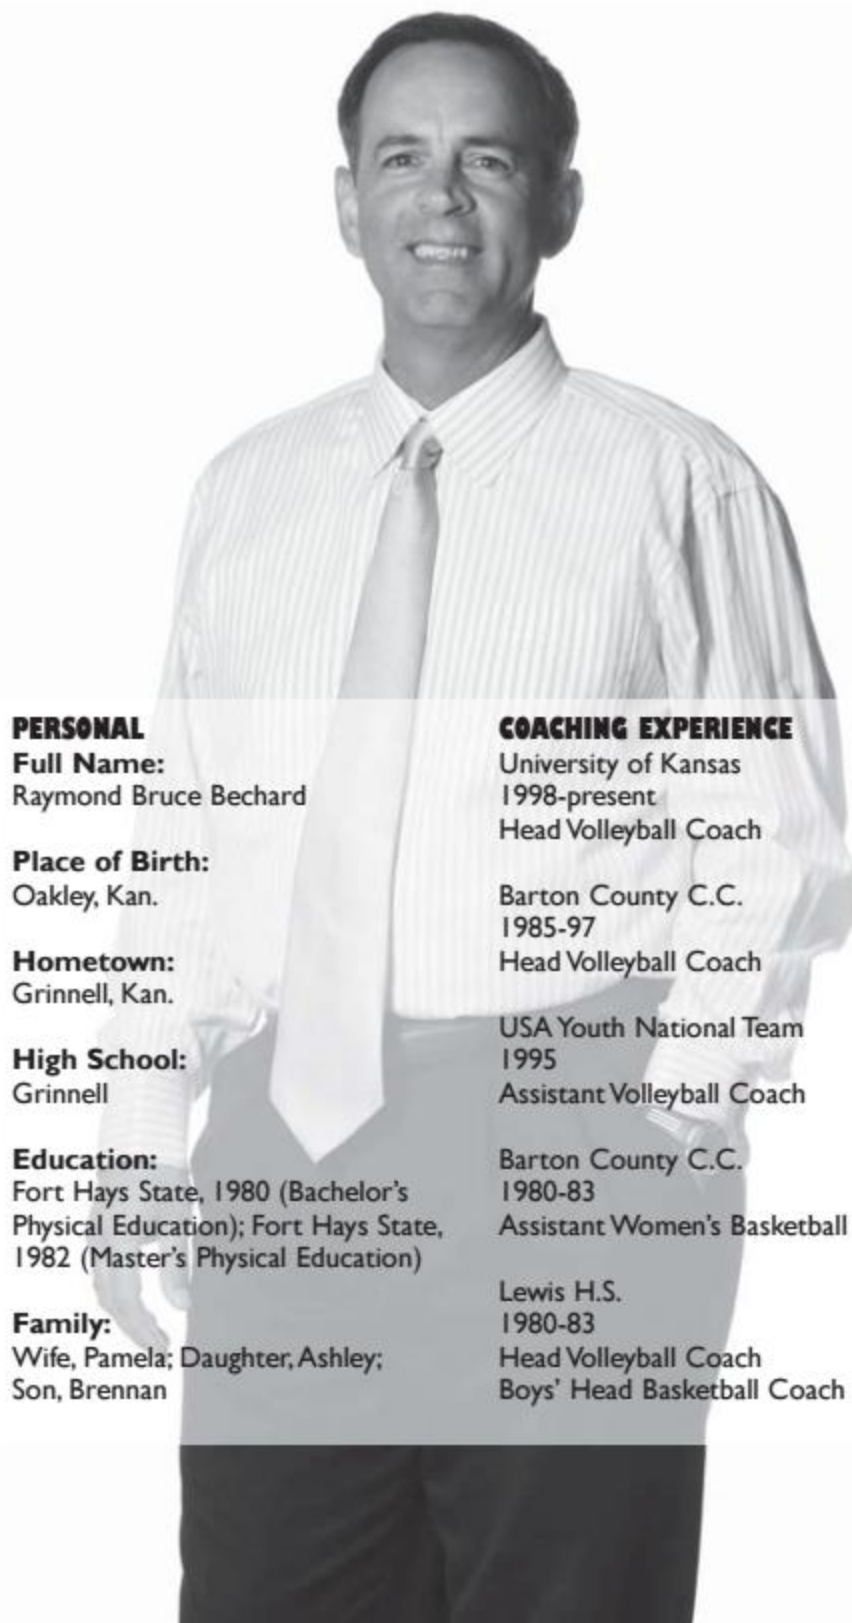

2003 became another celebrated year as KU achieved the most victories since 1991 (22), the most conference wins in school history (13) and the highest finish in the conference race (tied for third) since joining the Big 12 in 1996.

The greatest highlight of the 2003 season came when Bechard and the Jayhawks were invited to participate in the NCAA Tournament for the first time in program history. KU shocked powerhouse Long Beach State by sweeping the Beach 3-0 in first round action before falling to host No. 4 Pepperdine 3-1 in the NCAA Second Round in Malibu, Calif.

Bechard also reached two significant coaching milestones in 2003 as he recorded his 800th career victory and 100th win at Kansas.

Since his arrival a decade ago, Bechard's teams have been making their mark in the KU record books, sitting atop the lists in numerous career lists. Bechard has helped develop the play of several standout players, including Lima, who took home All-Big 12 First Team honors all four years and the 2002 Big 12 Newcomer of the Year award as a freshman. Lima, KU's all-time kills leader (1,483), joined middle blocker Amanda Reves (1996-99) as the two players to earn first team league honors under Bechard. Lima also became the first player in KU history to be named to the American Volleyball Coaches Association All-Region Team in 2003.

Furthermore, Jennifer Kraft (1999-2002) earned the Big 12 Defensive

Specialist award in 2002 and Ashley Michaels (2001-04) was an All-Big 12 Honorable Mention selection for two straight years.

Jill Dorsey, a 2004 graduate, led the Big 12 in her senior season with a scorching 4.64 digs per game and left KU the all-time career digs leader (1,338). Michaels concluded her KU career as the program's leader in attack percentage (.317) and finished second behind Reves in block assists (324) and blocks per game (1.03).

Another athlete to leave her name at the top of many KU career lists was Sarah Rome (2000-03). Rome departed KU as the school's all-time attempts leader (3,593) and ranks second on the career kills (1,306) and digs list (1,177).

Bechard has also been successful in recruiting top student-athletes from the state of Kansas. In the past five seasons alone, Bechard's signees have included standouts like Katie Martincich (Shawnee), Emily Brown (Baldwin City), Michaels (Wathena) and Dorsey (Wellsville).

Not only has Bechard emphasized success on the volleyball court, but his teams also excel in the classroom. A total of 52 Jayhawks have received Academic All-Big 12 honors since his arrival at KU in 1998, while 23 of his student-athletes were recognized as Academic All-Americans at Barton County.

On Bechard's team, six Jayhawks earned Academic All-Big 12 honors last fall as the team registered a 3.33 GPA. The squad then boasted Kansas' highest team GPA for spring 2008 with an impressive 3.45 cumulative grade point average to achieve a 3.39 GPA for the 2007-08 academic year.

Bechard came to KU after spending 13 years as the head coach at Barton County Community College in Great Bend, Kan. After a stellar career at BCCC, Bechard was inducted into the National Junior College Athletic Association Volleyball Hall of Fame in 1998.

In 13 seasons at Barton County, Bechard posted a career record of 716-60 (.923 winning percentage). He completed his career at BCCC with the highest all-time winning percentage among junior college/community

The Bechard family (from left): Ashley, Ray, Pam and Brennan.

college coaches and ranked fourth all-time with 716 career wins.

Twice (1990 and 1993) Bechard was named the American Volleyball Coaches Association National Junior College Coach of the Year, and he was selected the AVCA District IV Coach of the Year 12 times.

In 1995, he was an assistant coach for the USA Volleyball Youth National Team that won the Slovakian Cup Championship in Zilina, Slovakia. Bechard, who was the only non-Division I coach on the staff, coached alongside TCU's Sandy Troudt and Penn State assistant Erin Tomblin. The team competed against youth teams from Poland and Slovakia.

Bechard began his coaching career when he served three years (1980-83) as the head coach of the girls' volleyball team and the boys' basketball team at Lewis High School in Lewis, Kan. The first sign of his coaching talent was evident as he directed LHS to a pair of conference titles on the volleyball court.

A member of the board of directors of the American Volleyball Coaches Association from 1992-98, he has presented at the AVCA National Convention on two different occasions. Bechard was also president of the NJCAA Volleyball Coaches Association from 1989-92.

A native of Grinnell, Kan., Bechard played basketball at Barton County, where he helped the Cougars to a 45-13 record in his two seasons at the school.

Following his junior college playing career, Bechard attended Fort Hays State University where he graduated with a bachelor's degree in physical education in 1980. Two years later, he received his master's degree in physical education from Fort Hays State.

The Kansas native is married to the former Pamela Brown. The couple has a daughter, Ashley, who was a KU letterwinner in volleyball from 2001-04, and a son, Brennan, who is a senior on the Kansas men's basketball team.

COACH POSEY

Assistant Coach Christi Posey

Ninth season at Kansas / Kansas, 1982

Assistant coach and KU alum Christi Posey enters her ninth season alongside head coach Ray Bechard on the Kansas volleyball staff. A native of Wichita, Kan., Posey returned to Lawrence to join the Kansas Athletics family on June 1, 2000.

At Kansas, Posey is the Jayhawks' recruiting coordinator in addition to overseeing the team's managers, the team room, camp administration and acting as a liaison between the team and its sports psychologists, nutritionists, promotions and the weight room. On the court, she works with the team's setters and defensive specialists.

Posey received a bachelor of science degree in education from Kansas in 1982 where she was a physical education major and health education minor.

Prior to her arrival at Kansas, she served as a Health/Physical Education instructor and head volleyball coach at Blue Valley Northwest High School in Overland Park, Kan., from 1993 to 2000. During that time, Posey was also the head basketball and assistant softball coach for the Huskies. Last Spring, Posey was honored by the high school as she was a member of its inaugural Husky Hall of Fame class.

As the head volleyball coach for Blue Valley Northwest, she led her teams to eight KSHSAA state tournaments in eight seasons. Under Posey's guidance, her teams captured the state championship in 1996 and 1997 and

finished third three times during her tenure.

Posey's accolades and honors as a high school coach are virtually unparalleled. In 1999, she was named Johnson County Volleyball Coach of the Year by the *Kansas City Star*. In 1997, she was selected as the Coach of the Year by the Kansas Volleyball Association and *Kansas Sport Magazine* after leading her team to a perfect 44-0 record and a second-straight KSHSAA state championship. That same season, Blue Valley Northwest was tabbed the Kansas 6A Volleyball Program of the Year by the Kansas Volleyball Association.

In 1996, Posey was again named Coach of the Year by *Kansas Sport Magazine* and *Sports Connection* after guiding her team to a 41-3 record and a first-place finish at the state tournament.

Before her stint at Blue Valley Northwest, Posey was the head coach at Halstead (Kan.) High School from 1983-90. In 1990, she was selected to serve as head coach at the Kansas Volleyball Association's annual All-Star Game after being named co-Coach of the Year by the KVA. Her teams qualified for the state tournament four times at Halstead, and she led the Dragons to a third-place finish in 1990. She has an overall high school coaching mark of 392-171 in 18 years.

Posey is a member of the American Volleyball Coaches Association, the Kansas Coaches Association, the Kansas Volleyball Association and the National Education Association.

Posey lettered in both volleyball and softball at Wichita State as a freshman and sophomore. She transferred to the University of Kansas for her final two years of eligibility, where she was a standout first baseman and outfielder for the KU softball team.

A graduate of Wichita Heights High School, Posey was a three-sport star for the Falcons in volleyball, basketball and softball. She earned all-league honors twice in volleyball and once in softball and led the Falcons to a state basketball runner-up finish in 1976.

Posey is well known at volleyball camps and clinics at the collegiate and high school levels around the midwest. She has worked top-level camps across the state, including the University of Kansas, Sport-2-Sport, Heart of America Fundamental Volleyball and Gateway Elite camps.

Posey serves as Club Director of the USAV Juniors' Team KC, which she previously coached for seven years.

Assistant Coach Ken Murczek

First season at Kansas / San Diego State, 1998

Ken Murczek was named Kansas assistant volleyball coach on March 20, 2008, after spending the last year as an assistant at the University of Virginia. A Chicago, Ill., native, Murczek will work with KU's outside hitters and will also be responsible for team travel, video editing and assisting with recruitment.

While working with the Cavaliers, he was responsible for training the team's outside hitters and helped develop hitter Sarah Kirkwood into a two-time AVCA All-American, the first player to do so in Virginia volleyball history. In the summer of 2007, Murczek also spent time at the Olympic Training Center in Colorado Springs, Colo., where he assisted with skill development and on-court training of the United States Women's National Volleyball Team.

In addition to his stint at Virginia, Murczek has also served as an assistant at Western Michigan (2005-06) and a volunteer assistant at Purdue (2004). At Western Michigan, Murczek was instrumental in the daily training of the setters, recruiting and served as the director of the Bronco Volleyball Summer Camp. Over the two-year span, Murczek helped guide six all-conference players and aided in the Broncos receiving the highest honorable mention award for the 2006 recruiting class according to prepvolleyball.com. In addition, Murczek was integral in the development of senior setter Jenifer

Sulewski, who broke the school record for single-season assists.

In his stint at Purdue, he helped the Boilermakers to their first NCAA Tournament berth since 1990 and first round upset over nationally ranked host Colorado State.

During the 2002 and 2003 seasons, Murczek was head coach at Division II St. Joseph's College in Rensselaer, Ind. In his first year, the Panthers doubled their league win total and advanced to the conference tournament for the first time in three years. Murczek also spent a season at the helm at Cuyamaca College, a community college in San Diego, where he guided the team to its first conference tournament bid in school history.

Aside from his coaching experience at the collegiate level, Murczek also has spent time coaching both high school and club volleyball in San Diego, Chicago and Kalamazoo, Mich.

A successful player at all levels, Murczek began his volleyball career at Marist High School in Chicago where he became an all-state selection in 1993. Following high school, Murczek played for Lewis University before transferring to Division I San Diego State, where his team received top 15 votes during his senior season. Murczek also finished ranked fifth in the country in digs per game. He then went on to the University of Arizona where his club volleyball team won back-to-back national championships.

After college, Murczek played four seasons of professional six person indoor volleyball in Gelterkinden, Switzerland; Bienenkopf, Germany; Niort, France and Bandung, Indonesia. He has also competed in several beach volleyball tournaments during the summer months throughout the United States.

Murczek earned his B.S. in kinesiology from San Diego State University in 1998 before going on to earn a master's in teaching and teacher education from the University of Arizona in 2000. Murczek also holds a secondary education teaching credential in physical education and science from the state of Indiana, and an M.S. in sport management from Western Michigan University (2007).

Murczek and his wife, Jennifer, married in August 2007.

Kevin Buhr

Volunteer Assistant Coach / First Season at Kansas

A native of Jefferson City, Mo., Kevin Buhr joins Kansas for the 2008-09 season as a volunteer assistant coach.

Buhr comes to Lawrence after serving as the head coach for the Lightning Volleyball Club in Eagle, Colo., since the spring of 2006. While at the head of the Lightning's program, Buhr led his 17s team to four first-place finishes in six tournaments in 2007.

Before moving to the Rockies, where he also worked as a ski instructor for five years, Buhr worked as an assistant coach for the women's volleyball team at Division III Millsaps College in Jackson, Miss., for the 2005 season.

Prior to his stint at Millsaps, Buhr served as a volunteer assistant for his alma mater Missouri State University in Springfield, Mo., from 2000-03.

In addition to his experience coaching at the collegiate level, Buhr was the head freshman volleyball coach at Glendale High School in Springfield and has frequented the college volleyball summer camp circuit working for division I programs such as Florida State, Alabama and Colorado State.

Buhr earned a bachelor's degree in education with a major in physical education from Missouri State in 2003.

Aimee Miyazawa

Athletic Trainer / Fourth Season at Kansas

Aimee Miyazawa enters her fourth season as a member of the Kansas Athletics training staff. Miyazawa came to the Jayhawk program after serving a fellowship with the United States Olympic Committee in Colorado Springs, Colo., during the 2004-05 academic year.

While at the Olympic Training Center, Miyazawa worked primarily with the women's volleyball, weightlifting and men's freestyle wrestling national teams. Her travels with the women's volleyball national team took her to China, Korea, Thailand and the Dominican Republic.

Most recently, Miyazawa spent the 2008 summer in Canada as a trainer for the USA national men's volleyball team, where they won the gold medal in the Pan-American Cup.

Prior to her stint in Colorado Springs, Miyazawa spent two years as a graduate assistant trainer at the University of Nebraska at Kearney, where she worked with volleyball and indoor/outdoor track and field.

Miyazawa graduated from the University of Northern Colorado in 2001 with a bachelor's degree in kinesiology and went on to receive a master's in physical education from Nebraska-Kearney in August 2004.

Scott Ward

**Senior Assoc. Director of Academic & Career Counseling
Student-Athlete Support Services / Sixth Season at Kansas**

Scott Ward is in his sixth year in the Student Support Services department and is the Senior Associate Director of Academic and Career Counseling.

Ward assists in the coordination of various support services, including course scheduling, academic progress monitoring, individual counseling and Big 12 Conference and NCAA certification. In addition to working directly with volleyball, Ward also supervises the KU men's basketball program.

Prior to assuming his current position in the summer of 2003, Ward was a faculty member in the School of Education at the University of Kansas. He received multiple teaching awards as an instructor in the Health, Sport and Exercise Science department.

A native of Kingman, Kan., Ward has earned three degrees from KU: a B.S.Ed. in Education with emphasis in Exercise Science in 1991; an M.S.Ed. in Education with emphasis in Athletic Administration and Sport Psychology in 1993; and a Ph.D. in Education with emphasis in Sport Psychology and support in Counseling Psychology in 1996.

Ward and the former Robin Harnden were married Aug. 13, 2005. The Wards find Lawrence a great place to keep in touch with old friends and college comrades.

Debbie Van Saun

**Associate AD & Senior Woman Administrator
Second Season at Kansas**

Debbie Van Saun joined the Kansas Athletics staff as an Associate Athletics Director and Senior Women's Administrator in August 2007.

At Kansas, Van Saun directly supervises selected sports and provides administrative guidance to those coaches and their programs. Those selected sports include rowing, men's golf, women's golf, and swimming and diving. She works closely with student-athletes regarding financial aid, housing, summer school, fifth-year aid and other pertinent areas. It is Van Saun's job to monitor Kansas Athletics' efforts to comply with Title IX and NCAA gender equity principles as well as monitor NCAA governance issues and coordinate the University's position on new NCAA legislation. Lastly, she also prepares financial aid budget reports for the Athletics Director.

Van Saun came to KU from the City of Lawrence, where she served in numerous positions: as assistant city manager, assistant utilities director, assistant finance director and collections supervisor. Her roles with the city dated back to 1979 and concluded when she came to KU in the fall of 2007.

Van Saun's husband, Paul, played varsity football for KU in the 1970's and now owns Van Saun Decorating Service in Lawrence. Together they have two adult children, Kristen Van Saun Toner and Joseph.

Gabriela Quiggle

**Graduate Assistant Strength and Conditioning Coach
Fourth Season at Kansas**

Gabriela Quiggle will begin her eighth season on KU's campus and fourth as a graduate assistant. For the past two years, she has worked as Kansas volleyball's strength and conditioning coach in addition to strength and conditioning responsibilities for KU women's soccer and rowing teams.

Quiggle began work as a graduate assistant in the fall of 2005 when she returned to school to pursue a master's in sports studies. However, the Portland, Ore., native first arrived at Kansas in the fall of 2001 to begin her undergraduate work in sports management. She graduated with a bachelor's degree in the spring of 2004 and also concluded a four year stint with the KU women's soccer team. Quiggle was an Academic All-Big 12 First Team selection in 2002 and a member of all three of Kansas' NCAA Tournament teams (2001, 2003 & 2004).

Jim Marchiony

**Associate AD for External Relations
Volleyball Supervisor / 6th Season at Kansas**

Jim Marchiony has served as Associate Athletics Director for External Relations at Kansas since August 2003. He oversees Kansas Athletics marketing, licensing, the media relations and video departments, and is the sport supervisor for volleyball and tennis.

Marchiony came to Lawrence from the University of Connecticut, where he served as Associate Athletics Director for External Relations. His primary duties at UConn involved television and radio, marketing, corporate sponsorships, licensing and sports communications.

Prior to his stint at UConn, Marchiony spent 17 1/2 years at the NCAA, serving the last five years as media coordinator for the NCAA Division I men's basketball tournament. Before serving as media coordinator, Marchiony served in various communications roles, primarily dealing with television and media relations.

Prior to serving at the NCAA, Marchiony was Director of Sports Information at Georgetown University and Iona College. He earned a Bachelor's Degree in Journalism from St. Bonaventure University.

ATHLETICS DIRECTOR

Low Perkins

Director of Athletics

Low Perkins has served as Director of Athletics at the University of Kansas since June 2003. He arrived at KU after achieving nationally recognized success as athletics director at the University of Connecticut. Kansas Athletics has experienced tremendous growth and success during Perkins' short tenure.

- In the fall of 2007, the student-athletes in KU's 18-sport program achieved unprecedented success in the classroom. Ten KU teams posted 3.0 grade-point averages or better, and 229 student-athletes on active rosters (51 percent) posted a 3.0 GPA or higher, including 48 with perfect 4.0 GPA's. Kansas student-athletes earned a combined 2.93 grade-point average during the 2007 fall semester, setting an Athletics Department-record for a fall semester.
- The football team won the 2008 Orange Bowl, capping a school-record 12-win season, and the team has been bowl-eligible in four of the last five years;
- The men's basketball team won the 2008 NCAA Men's Basketball Championship, reached the Elite Eight of the 2004 and 2007 NCAA Championships and has won the last three Big 12 Conference regular-season championships, as well as the last two Big 12 tournament titles;
- The women's volleyball team has appeared in three NCAA tournaments, reaching the second round in 2003 and 2004;
- The women's soccer team has appeared in two NCAA tournaments, reaching the Sweet 16 in 2003;
- The softball team won the Big 12 Championship in 2006 and reached the NCAA tournament for the second straight season;
- The baseball team won the Big 12 Championship in 2006 and reached the NCAA tournament for the first time since 1994;
- The women's basketball team reached the 2008 and 2006 Women's National Invitation Tournament;
- Several track-and-field student-athletes have won NCAA titles, and many have received All-America and All-Big 12 honors.

Kansas Athletics fundraising has reached unprecedented levels. Under Perkins, KU's \$27-million athletics budget has grown to more than \$55 million. That fundraising, including landmark apparel and corporate-partner contracts, has resulted in greater services for KU coaches and student-athletes, and numerous upgrades in KU's athletics facilities:

- The Booth Family Hall of Athletics, which opened in January 2006 in Allen Fieldhouse, celebrates the tradition and history of Kansas Athletics; a beautiful Kansas Athletics Hall of Fame exhibit was unveiled in the Hall of Athletics in February 2008.
- The spirit and aura of Allen Fieldhouse has been enhanced by renovations that were completed prior to the 2005-06 season and include freshly painted bleachers, new windows, new lighting and sound systems, and a new center-hung scoreboard, which includes a large, state-of-the-art video board;
- The baseball complex now includes an indoor hitting facility and a new scoreboard, complete with a large, state-of-the-art video board;
- The Anderson Family Football Complex and two new practice fields - adjacent to Kivisto Field at Memorial Stadium - have recently been completed;
- A new Aquatic Rehabilitation Center houses three Hydroworx pools that enhance rehabilitation efforts under the guidance and supervision of the University of Kansas Sports Medicine Staff.

Perkins has served on many NCAA, Big 12 Conference and other prestigious committees, including the Basketball Issues Committee. At the conference level, Perkins has served as Chair of the Big 12 Board of Athletics Directors and as a member of the Big 12 Television Committee. In spring 2005 he was named to the Board of Directors of the Naismith Basketball Hall of Fame. Additionally, he is a member of the Gatorade Board of Directors.

At Connecticut (1990-2003), Perkins was instrumental in guiding UConn athletics to impressive growth - athletically, academically and financially. His leadership influenced six NCAA Division I National Championships.

He was rewarded in 2000 as the inaugural winner of the National Athletic Director of the Year Award as selected by Street & Smith's Sports Business Journal, in conjunction with the National Association of Collegiate Directors of Athletics (NACDA).

A native of Chelsea, Mass., Perkins was inducted into his high school Hall of Fame in 1989. A highly recruited basketball player, he played at the University of Iowa (1965-67) for Hall of Fame coach and KU graduate Ralph Miller. Perkins earned his undergraduate degree there in 1967.

Perkins served as Director of Athletics (1969-80) and head basketball coach (1969-79) at the University of South Carolina Aiken as that institution grew from a junior college to a four-year institution. He received his master's degree in education (1975) from the University of South Carolina. Perkins delivered the commencement address and received an honorary Doctor of Education degree at USC Aiken in May 2005. Perkins also has served as athletics director at the University of Maryland and Wichita State University, and associate director of athletics at the University of Pennsylvania.

Perkins is married to the former Gwen Flaum. Like Lew, Gwen earned an undergraduate degree from Iowa and a master's degree in education from the University of South Carolina. They have two daughters - Amy (husband Brandon Macneill) and Holly - and two granddaughters (Caroline and Alexandra Macneill).

Dr. Robert Hemenway

University Chancellor

Robert Hemenway's life has been marked by accomplishment as an administrator, teacher and scholar.

As the 16th chancellor of the University of Kansas, he is the chief executive of the university, which includes the main campus in Lawrence, the KU Medical Center in Kansas City, Kansas, the Edwards Campus in Overland Park and the School of Medicine-Wichita, along with facilities in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Under Hemenway's leadership, a growing number of KU academic programs have received national recognition, and the achievements of faculty and students have cemented KU's position as an international research university. U.S. News & World Report ranks 12 KU graduate programs in the top 10 nationwide and 26 in the top 25. KU's graduate programs in city management and urban policy and special education are ranked first in the nation.

KU enrolls more Kansans than any other university, with 70 percent of its more than 29,000 students coming from the Sunflower State. The diverse student body is highly talented, with an average ACT score well above the national average. KU students regularly win the nation's most prestigious awards, including Rhodes, Goldwater, Marshall, Fulbright, National Science Foundation and Udall scholarships. In intercollegiate competitions, KU students excel — the men's basketball team was the 2008 NCAA Champions, the debate team ranked first in the nation for the 2007-08 season, the journalism program was first in the Hearst writing competition and the football team was the victor in the 2008 Orange Bowl.

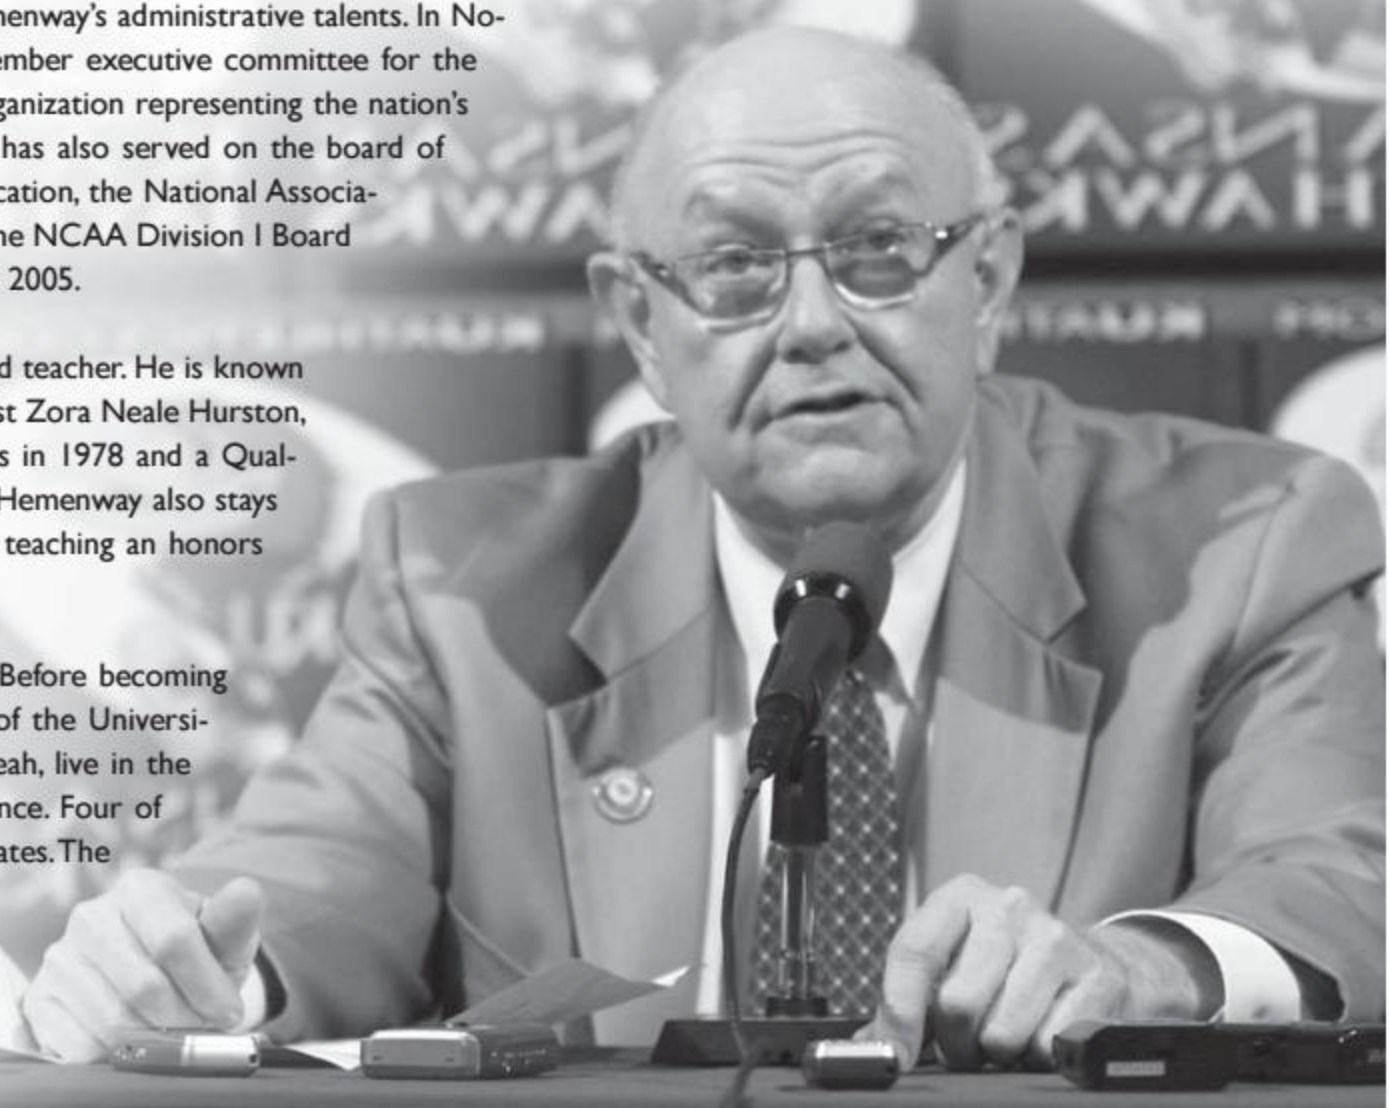

Research at KU, a major source of Kansas economic growth, has climbed steadily, reaching \$289 million in fiscal year 2007. The university's No. 1 research priority is to achieve National Cancer Institute designation for the KU Cancer Center at the KU Medical Center in Kansas City. This designation will lead to superior cancer research and care for citizens throughout the state and region.

As a public institution, KU remains focused on working for the people of Kansas. KU doctors treat patients throughout the state, during medical outreach trips and via telemedicine. KU researchers measure groundwater levels in western Kansas, while law enforcement officers trained by KU's Kansas Law Enforcement Training Center protect Kansans in every county.

Leaders of other universities recognize Hemenway's administrative talents. In November 2007, he was elected to the 11-member executive committee for the Association of American Universities, an organization representing the nation's most prestigious research universities. He has also served on the board of directors for the American Council on Education, the National Association of State and Land Grant Colleges and the NCAA Division I Board of Directors, which he chaired from 2002 to 2005.

Hemenway remains a committed scholar and teacher. He is known for his biography of African-American novelist Zora Neale Hurston, a "Best Books" pick by the New York Times in 1978 and a Quality Paperback Book Club selection in 1991. Hemenway also stays connected to the classroom, most recently teaching an honors seminar on global poverty.

Hemenway grew up in Hastings, Nebraska. Before becoming chancellor of KU, he served as chancellor of the University of Kentucky. Hemenway and his wife, Leah, live in the Outlook, the KU chancellor's official residence. Four of the chancellor's eight children are KU graduates. The Hemenways have seven grandchildren.

2007 REVIEW

2007 Highlights

A victory over No. 18 Oklahoma and a road win at Missouri highlighted a promising year for Jayhawk volleyball. By season's end Kansas had played 14 of its 30 matches against teams that advanced to the 2007 NCAA Tournament, including six Big 12 Conference members. KU's tough slate ranked in the top third for strength of schedule among 324 NCAA Division I volleyball teams.

There were a lot of new faces on the court when the 2007 Kansas volleyball team opened its season. With just two seniors and a pair of juniors on a 16-woman roster, the Jayhawks dove into the 2007 season with a young, but talented squad.

KU opened the year on a positive note, recording back-to-back wins in the Oregon Invitational. The team then dropped its next three contests, two of them on the road against NCAA Tournament teams - Oregon and Michigan State - only to rebound with five straight victories, starting with a four-game win over NCAA Tournament bound Missouri State. The victory not only jump-started the team's longest winning streak of the season, but it also made 10th-year head coach Ray Bechard the winningest volleyball coach in KU history.

Kansas wrapped up its nonconference

schedule going undefeated during all four matches of its Jayhawk Classic to claim the tournament crown. Senior Emily Brown was named tournament MVP, while fellow senior Caitlin Mahoney and junior Savannah Noyes earned all-tournament honors.

The Jayhawks took a respectable 7-3 mark into one of the nation's toughest conference schedules, highlighted by eight matches against top-25 teams.

After dropping its first two league matches, the Jayhawks answered back with a pair of wins, including a notable five-game victory over Border Showdown rival Missouri on the Tigers' home court. That victory snapped a 12-match conference losing streak and marked KU's first victory in Columbia since 2001.

Growing pains then ensued for the young squad as they lost nine of their next 10 matches.

However, before the season ended, Kansas was able to turn things around, going 3-3 in the team's final six contests, highlighted by a 3-2 upset over No. 18 Oklahoma. Following a setback to No. 3 Texas, KU picked up its second conference road win at Colorado, and ended the season on a high note,

notching a three-game sweep at Texas Tech in the season finale.

Player Notables

Though Kansas' 13-17 record in 2007 did not reflect the kind of season they were hoping for, the many accomplishments throughout the season were anything but disappointing. The individual strides made by the Jayhawks were definitely a step in the right direction and provided a satisfying glimpse of the program's bright future.

In her senior campaign, Emily Brown left her name littered all over the KU volleyball record books. Brown tallied her 1,000th career dig and assist in the team's five-game triumph over Colorado to become the first player in KU volleyball history to reach the 1,000 mark in career kills, digs and assists. Brown had smacked her 1,000th kill earlier in the season against Texas Tech. The Baldwin City, Kan., native finished in the top 10 on five career lists, including fifth in kills (1,168), total attempts (3,048) and games played (430), seventh in digs (1,034) and ninth in assists (1,107). The 6-2 Brown was also selected as the Big 12 Conference Player of the Week on Sept. 24, the first KU player to do so since Josi Lima on Sept. 19, 2005.

Fellow senior Caitlin Mahoney also made her

2007 REVIEW

final appearance in the crimson and blue in 2007, wrapping up her stint at KU with some of the best performances of her career. After seeing limited floor time in her first three years, the 6-1 middle blocker/right side hitter made 16 starts and appeared in 27 matches. Mahoney, a St. Louis, Mo., native, was crucial to the squad, stepping in for the injured Natalie Uhart. In her final season, Mahoney set new personal career bests in kills, block assists, digs and service aces. Mahoney also led the team in attack percentage in its final three matches, hitting at a .480 clip or better.

Juniors Savannah Noyes and Natalie Uhart rounded out the team's upperclassmen on the 2007 squad. Noyes saw action in all 30 matches with 18 starts and was second on the team with a .235 hitting percentage and fourth with 1.97 kills per game.

Uhart finally made her highly anticipated debut in a Jayhawk uniform after redshirting in 2006 due to a torn ACL. After starting the first four matches of the 2007 season, however, the East Lansing, Kan., native faced another setback when the discovery of a congenital heart defect kept her off the court for a month. Uhart made up for lost time when she finally took to the court again, leading the squad with 1.17 blocks per game and a .271 hitting percentage. Of the 20 matches the middle blocker appeared in, Uhart led the team in total blocks 15 times.

The Jayhawks' group of underclassmen, consisting of seven sophomores and five freshmen, showed a lot of potential for the future of Kansas volleyball. Sophomores Melissa Grieb and Katie Martincich both saw action in all 30 matches. Grieb, a defensive specialist from Olathe, Kan., served up 26 aces for KU and chipped in 1.69 digs per game. Martincich was second on the squad in assists and digs, averaging 5.15 assists per game and digging up 2.53 balls per contest. The Shawnee, Kan., native is currently seventh in the KU career record books with 1,775 assists and ranks eighth with 8.26 assists per game.

The Jayhawks were forced to play without

sophomore Brittany Williams (New Orleans, La.) during conference play after the 6-1 middle blocker tore her ACL in practice Sept. 24. Through the first 14 matches, Williams averaged a team second-best 1.05 bpg and added 1.98 kpg on a .256 hitting efficiency.

A talented group of freshmen saw ample court time in their first season with the Jayhawks. Hitter Jenna Kaiser and libero Melissa Manda, out of Wichita, Kan., played in all 30 contests, while Karina Garlington, who hails from Denver, Colo., missed just one. Kaiser, a six-foot outside hitter also from Wichita, was one of the team's biggest offensive threats; she led KU with 2.86 kpg and posted game-high kills an impressive 13 times throughout the season.

Manda was the team's back row staple, leading KU with 3.97 dpg, ranking her seventh among Big 12 players. Garlington showed tremendous versatility for the Jayhawks, ranking sixth in the Big 12 with 0.33 aces per game, while also pitching in 2.00 kpg and 1.83 dpg.

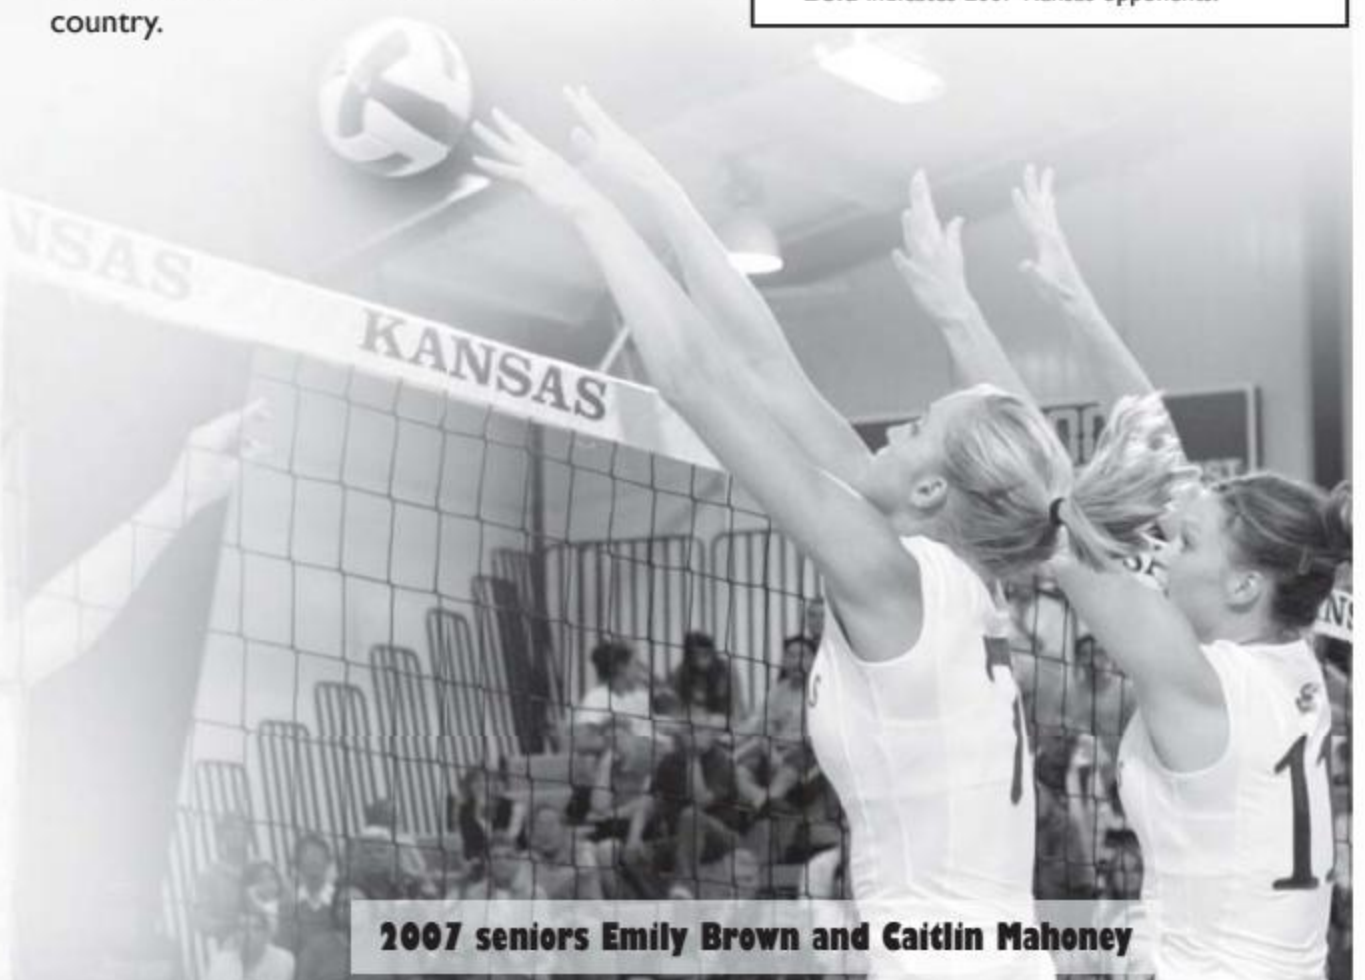

A total of 13,104 fans came to watch the Jayhawks at the Horejsi Family Athletics Center in 2007; the 936 fans per game was the 40th-highest attendance average in the country.

Kansas Falls to No. 7 Washington 3-2

SEATTLE, Wash. - Despite coming back from an 0-2 deficit to force a game five, the University of Kansas fell to seventh-seeded Washington, 3-2.

The Jayhawks held an advantage in nearly every statistical category, including a season-best 18.0 blocks and 102 digs. The Huskies, 2004 Pac-10 Champions and No. 1 for seven weeks, advanced to the semifinal game and fell to eventual national champion Stanford.

NCAA TOURNAMENT HISTORY

KU Falls at UCLA, 3-1, in NCAA First Round

LOS ANGELES, Calif. -- Despite a valiant effort by its short-handed squad, the University of Kansas volleyball team fell to 16th-seeded, 12th-ranked UCLA, 3-1, in the opening round of the NCAA Tournament.

The Jayhawks were without starters Andi Rozum (senior setter) and Jana Correa (junior outside hitter), who both suffered season-ending injuries. KU managed with just nine active players in its lineup.

Coach Ray Bechard led KU to its only three NCAA Appearances (2003, 2004, 2005).

Each summer, Kansas Volleyball conducts camps for young players ranging from beginners to the high school level. In the 10 years under KU head coach Ray Bechard, the camps have experienced unprecedented success by selling out early in the spring. In 2008, nearly 1,000 volleyball players attended summer camp at the University of Kansas. Bechard and his assistant coaches, successful high school and club coaches, and members of the Kansas volleyball squad provide personalized direction for all camp participants.

SETTING, HITTING & DEFENSIVE SPECIALIST CLINICS

Some unique features of Bechard's teaching methods are position-specific clinics which allow athletes to fine tune their skills in a certain area. Athletes who are entering grades six through 12 receive instruction and training for an entire day as a setter, hitter or blocker. The clinics run from 9 a.m. until 4 p.m. with one hour off for lunch.

SKILLS CAMP

The emphasis of the four-day individual skills camp is to teach and develop the fundamental techniques of volleyball as well as game strategies. The basic skills are emphasized in drills while

team play is incorporated to learn how all of the fundamentals fit into the game. Campers are evaluated in all skills and receive a camp notebook detailing the camp's training methods. This camp is open to athletes entering grades six through 12. Six or more athletes attending from the same school can be grouped together and play as a team. Each team plays the equivalent of 10 league and tournament matches. Each league is assigned a camp staff member to help facilitate all of the skills learned throughout the camp.

TEAM CAMP

The Jayhawk Volleyball Team Camp is designed to provide varsity high school teams with the opportunity to train and compete under the direction and guidance of an outstanding coaching staff. The daily schedule includes two skills sessions focusing on position training and transition work. Competitive league play is the emphasis at each evening session. Team building activities highlight the last evening of camp.

BIG 12 CONFERENCE

The Big 12 Conference has established a consistent level of national success on the field and in the classroom as it enters its 13th season in 2008-09.

Since it began play in 1996-97, the Conference can boast 31 team crowns and over 385 individual NCAA Championships. The success continued during 2007-08 as Kansas captured the Big 12's first national title in men's basketball, while the league added 31 individual crowns.

Over the past four seasons a total of 12 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including each of the past 11 seasons.

The Big 12 leads all conferences with five appearances in Bowl Championship Series title games. League squads have played for the football national championship five times in the last nine years with berths in 14 BCS games overall, including two in 2007. The Big 12 led all conferences with four teams ranked in the Top 10 in the final national polls a season ago. In addition, an all-time high eight league players earned consensus All-America recognition in 2007, more than any other conference.

In basketball, nine men's and women's teams have advanced to their respective Final Fours in the past seven seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. The six men's Final Four participants since 2002 is more than any conference. Numerous national honors have been won by basketball student-athletes during the league's history, with Michael Beasley (Kansas State), D.J. Augustin (Texas) and Courtney Paris (Oklahoma) the most recent to garner accolades as consensus All-America in 2007-08.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes also do well in garnering national academic recognition. Sarah Pavan (Nebraska) was named Academic All-America of the Year in volleyball the past two seasons by *ESPN The Magazine* and College Sports Information Directors of America with a 4.0 grade-point average in Biochemistry. She also won the national academic honor presented for all sports in 2006-07 and was named recipient of the prestigious 2006-07 Honda-Broderick Award as Collegiate Woman Athlete of the Year. She is the first athlete since the Big 12 was formed to earn the accolade. In addition to his athletic accomplishments, Augustin was an Academic All-America First Team choice. In its history, the conference can boast of over 300 academic honorees, averaging more than 25 each season.

The Big 12 can boast of other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with

a cancerous tumor in 2007, but rebounded to win All-America honors at the 2008 NCAA Indoor Track & Field Championships.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 201 scholars have received over \$1.2 million in postgraduate financial aid through the first 12 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses seven states, over 45 million people and television households in 18 of the top 100 markets within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

In the last several years the Big 12 has increased its bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN and CBS College Sports. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc. The new contract begins in 2008-09.

In its first 12 years, the Conference has distributed more than \$1 billion to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference is headquartered in Irving, Texas.

THE UNIVERSITY

KANSAS ROOTS, GLOBAL REACH

The University of Kansas — fondly known as KU — is a tradition-rich, comprehensive research university that throughout its distinguished history has excelled in creating superior, enduring value for students, the state of Kansas and the world.

Founded by the same determined New Englanders who had emigrated to the Kansas Territory to create a state free of slavery, KU became one of the first universities of the Great Plains. The university opened its doors on Sept. 12, 1866, to 29 men and 26 women. Never in its history has KU restricted admissions based on race or gender.

Since its early years, KU has been fueled by high aspirations and today enjoys a national reputation for innovation and academic excellence. In 1890, the first chapters of Phi Beta Kappa and Sigma Xi west of the Mississippi River were chartered at Lawrence. The following year, the KU Endowment Association was established, the first foundation of its kind supporting a state-assisted university. Not to be forgotten: KU initiated interscholastic basketball competition in 1898 under the leadership of Dr. James Naismith, the inventor of the game.

With a student body of nearly 30,000 and an endowment with assets of

more than \$1 billion, KU has become a diversified, broad-based center of learning with professional schools in allied health, architecture and urban planning, business, education, engineering, fine arts, journalism and mass communications, law, medicine, nursing, pharmacy and social welfare. KU also has expanded geographically, adding the KU Medical Center in Kansas City, Kan.; the School of Medicine clinical branch in Wichita; the Edwards Campus in Overland Park; and educational and research facilities throughout the state.

In addition, KU prepares students for success in an increasingly global economy. Among public universities, KU ranks seventh in the nation for the percentage of its students who study abroad and 25th in the nation for the number of graduates serving as Peace Corps volunteers.

WORLD-CLASS, ACCESSIBLE EDUCATION

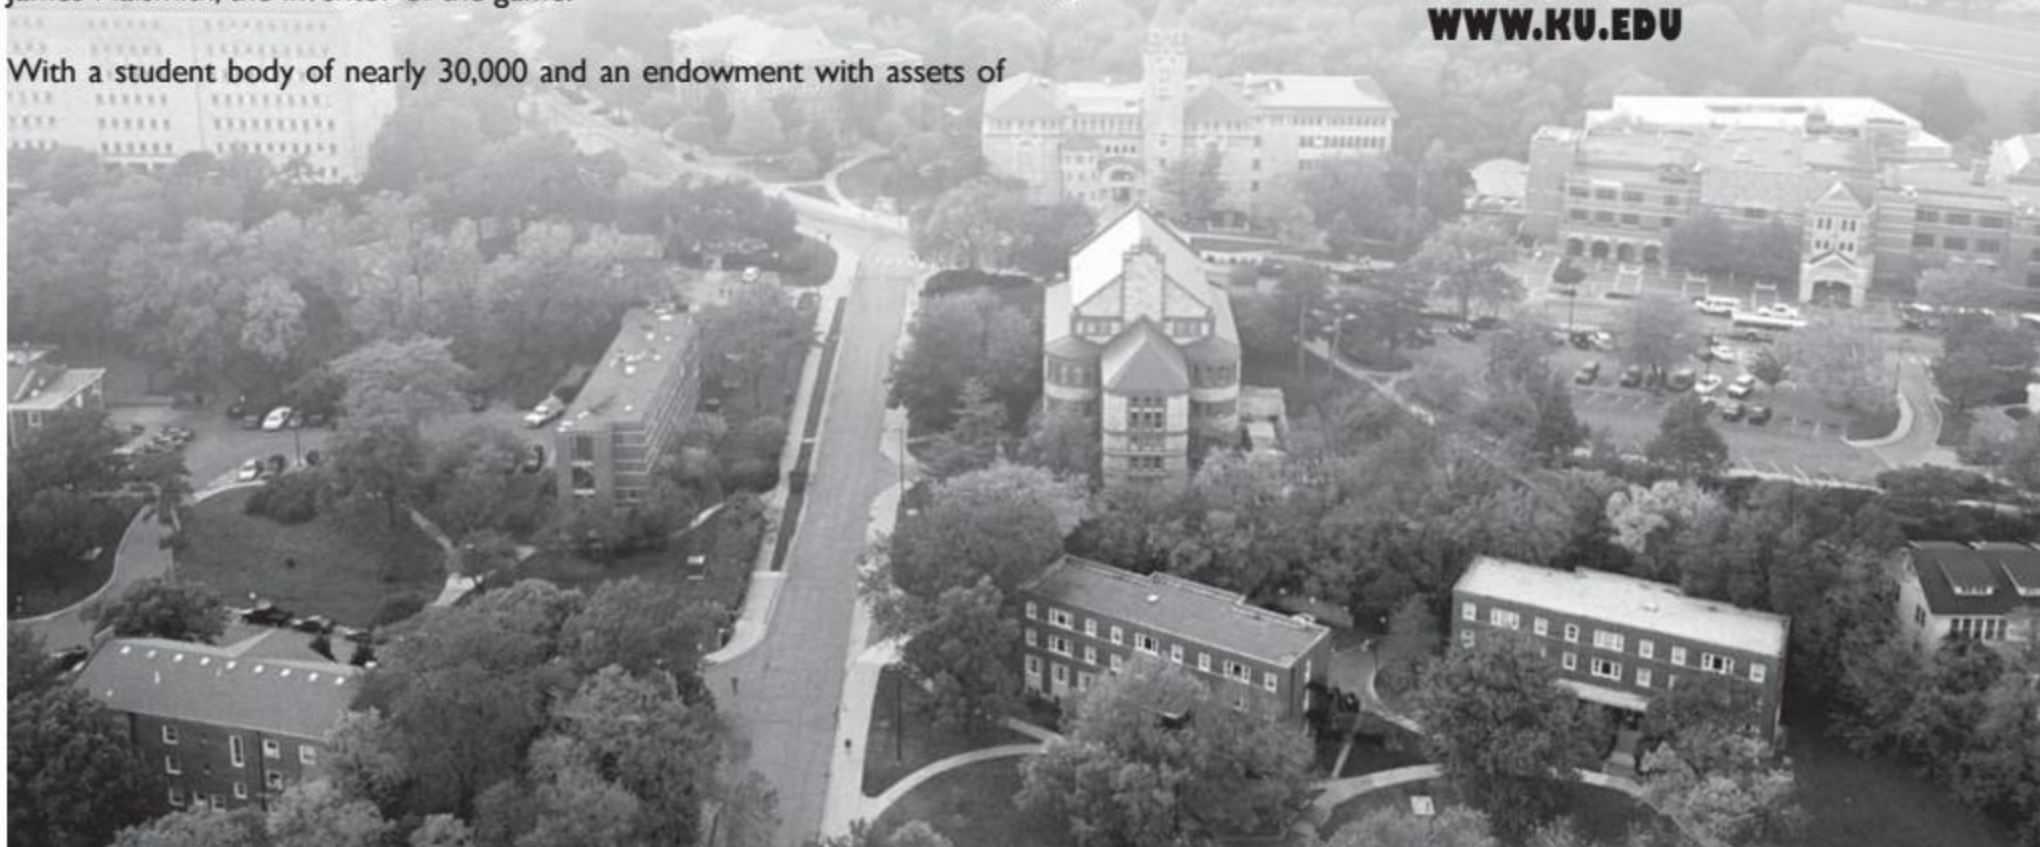

KU teachers have earned international distinction: 12 have been elected national academy members, 33 are fellows of the American Association for the Advancement of Science and 283 have received Fulbright awards for international study since 1950. Astronaut Steve Hawley, a Salina native and KU graduate, will return to Lawrence in fall 2008 to join the Department of Physics and Astronomy. He'll teach students and travel the state emphasizing the importance of science education.

Led by these world-class teachers, KU students have achieved an impressive record of major honors: 25 Rhodes, 406 Fulbright, 45 Goldwater, 24 Mellon, 16 Truman, 16 Udall and nine Marshall scholarships. Architecture magazine has twice bestowed its "Home of the Year" award on KU student-built projects. The debate team has won four national titles. Journalism and math students have placed first in their respective collegiate competitions.

The attractiveness of KU to outstanding high school graduates is reflected in the current student body. In fall 2007, 30 percent of KU first-time freshmen scored 27 or higher on the ACT or converted SAT equivalent. Nationally, 15 percent of ACT test takers scored 27 or above. The average freshman ACT score of 24.6 is a record high for KU, well above the national average of 22. Last fall, KU enrolled 35 National Merit scholars, eight National Hispanic scholars and two National Achievement scholars.

PATH-BREAKING RESEARCH

KU is known for bioscience research in areas such as cancer, vaccines and Parkinson's disease. The KU Cancer Center seeks to heighten Kansans' access to breakthrough treatments by becoming a designated National Cancer Institute Comprehensive Cancer Center. Strong programs in drug development and delivery are fueled by the School of Pharmacy, which is No. 1 in the nation in portion of faculty funded by the prestigious National Institutes of Health, and No. 4 overall in funding. KU's total research expenditures in all disciplines reached \$289 million in 2007.

There are 19 KU-developed technologies in the marketplace and nearly 70 new invention disclosures a year. Professors across campus are researching critical topics such as climate change, monarch migration, payday lending businesses and avian flu. KU students contribute to major research, too. One student studied why — despite the risks — people talk on cell phones while driving.

DEEP ANALYSIS OF KU

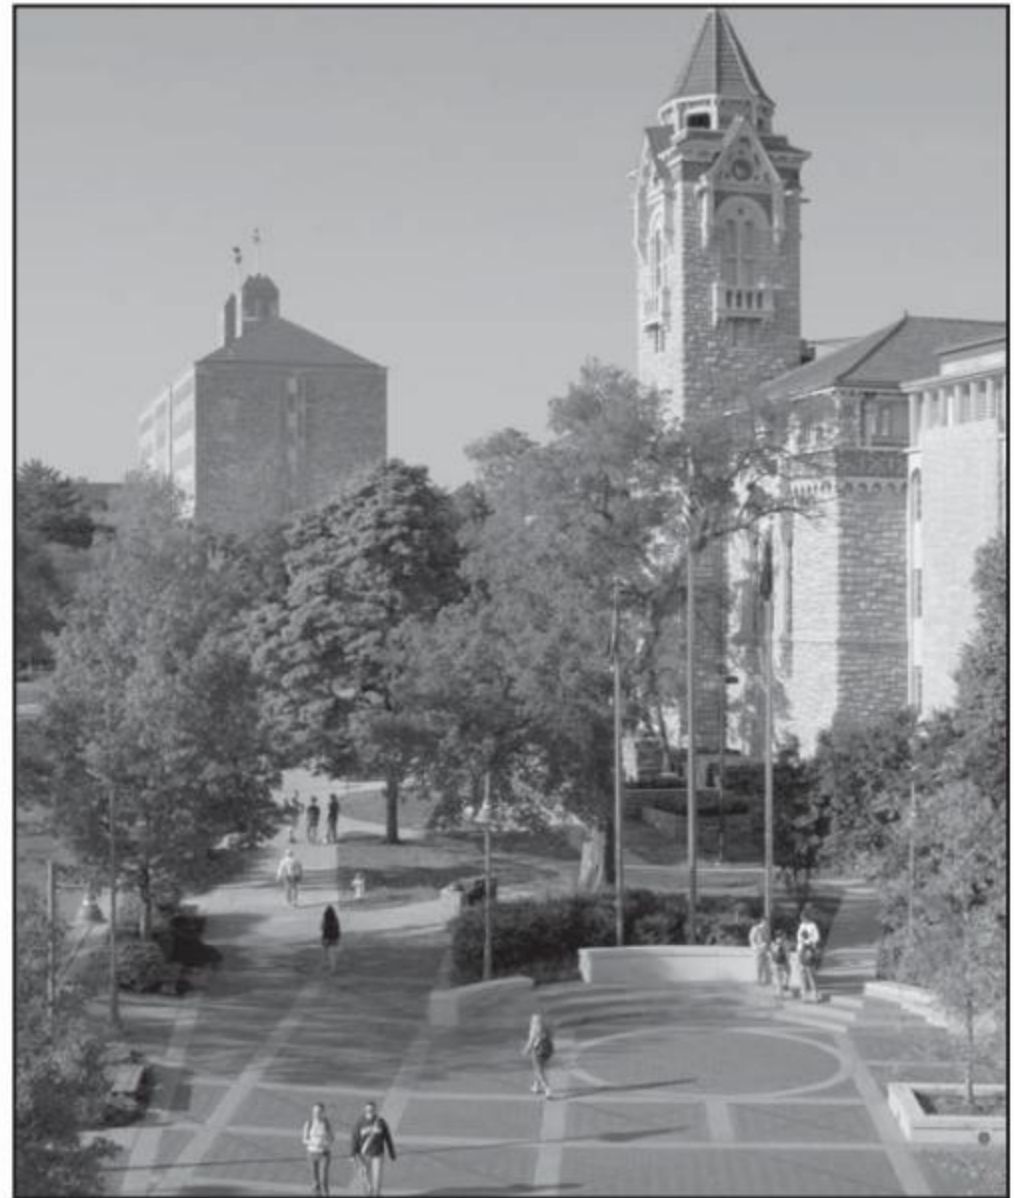

A nationwide study by Indiana University, the "Documenting Effective Educational Practice" report, in 2004 lauded KU as a progressive research university that thoroughly engaged students in the learning process. "Many other colleges and universities will benefit from learning about KU policies and practice," the DEEP report stated.

UNIVERSITY STATISTICS

- 20,298 undergraduates and 5,321 graduate students at the Lawrence and Edwards campuses; 2,918 students at the KU Medical Center in Kansas City, Kan.

Kansas City knows how to entertain visitors. After all, from its beginnings this city has a rich history of delighting travelers with flashy amusement parks and innovative shopping areas. Whether you are visiting the home of Hallmark Cards or watching a “hog” being assembled at the Harley-Davidson Final Assembly Plant, today’s traveler will find a multitude of diverse and fun attractions.

Thrill-seekers of all ages love the side-by-side theme parks, Worlds of Fun and Oceans of Fun. Modeled after the tale, “Around the World in Eighty Days,” Worlds of Fun features more than 50 rides, shows and attractions. Catch more than 60-acres of surf, sand and fun at Oceans of Fun, the Midwest’s largest tropically-themed water park. For a wild time, head to the Kansas City Zoo where hundreds of exotic animals reside in their natural habitats.

Lawrence is located roughly 35 minutes west of downtown K.C.

The Truman Sports Complex is home to major league sports action for the Kansas City Chiefs and Royals at the side-by-side Arrowhead and Kauffman stadiums.

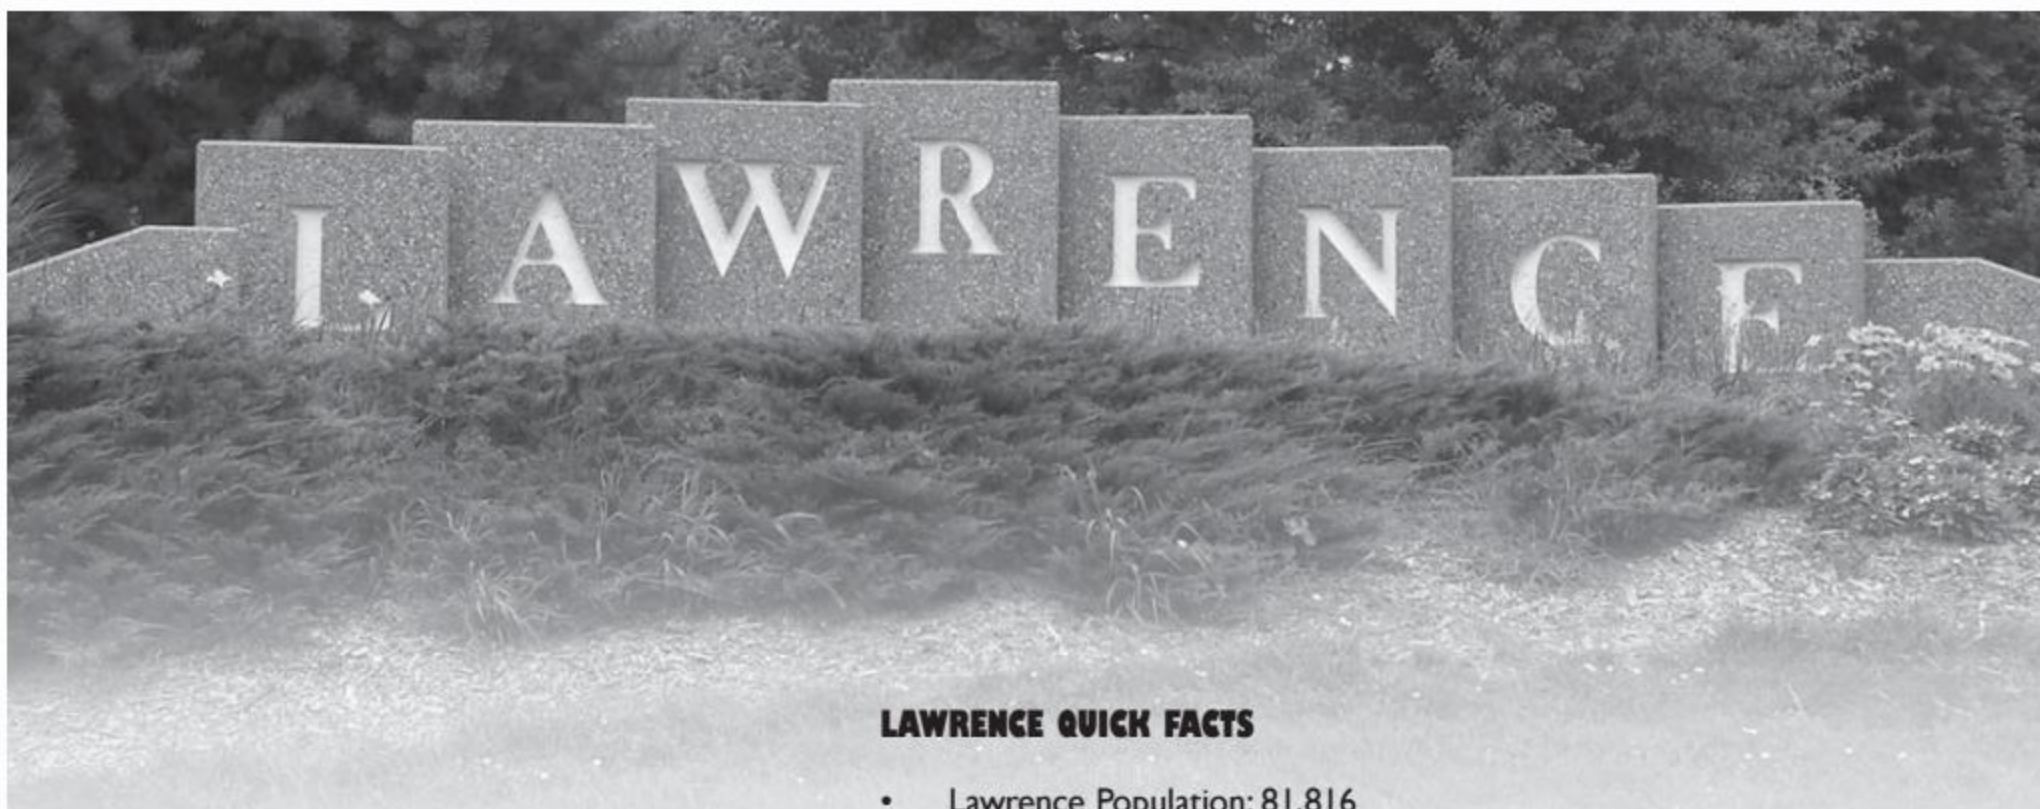

Country Club Plaza

No trip to Kansas City is complete without a visit to the Plaza. This 14-square-block outdoor shopping and entertainment district boasts romantic Spanish architecture, European art and dazzling fountains. Designed in 1922, the Plaza features boutiques and fashionable national stores as well as distinctive restaurants, outdoor cafés and nightlife hotspots.

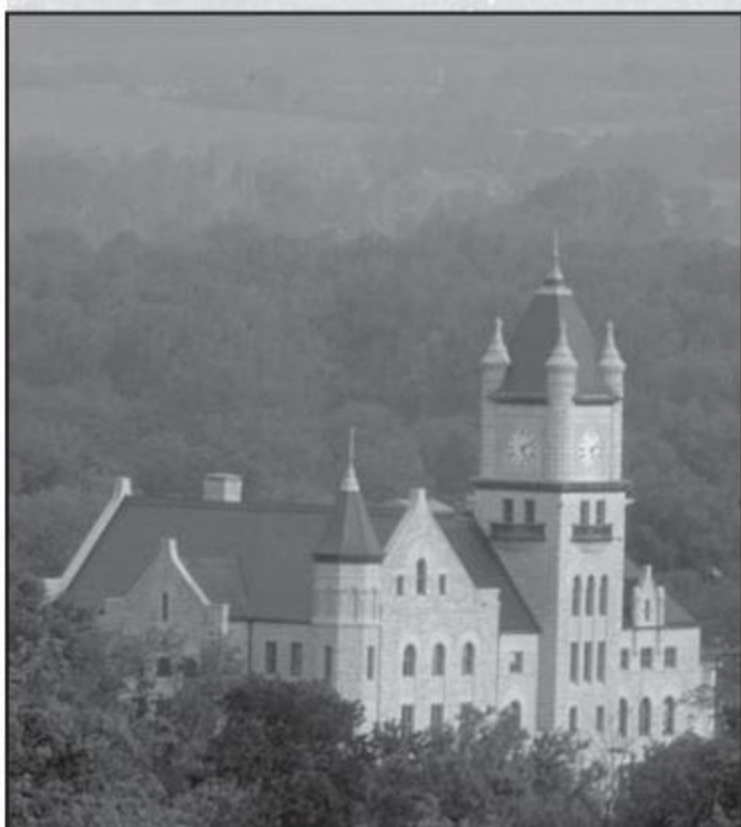

In Kansas City, Kan., just off I-70 sits the Community America Ballpark, home of the Kansas City Wizards Soccer Team, and the Kansas Speedway which hosts NASCAR’s premier series, the NEXTEL Cup Series. It also brings the superstars of the Indy Racing League’s IndyCar Series, the NASCAR Busch and Craftsman Truck Series and ARCA’s RE/MAX Series to Kansas City, Kan., for an exciting season of heart-pounding motorsports action.

THE SPORTING NEWS SELECTED LAWRENCE AS ONE OF THE 50-BEST SPORTS TOWNS IN NORTH AMERICA IN A RECENT REPORT.

Lawrence is not just another college community. It presents the easy-going feeling of a smaller town combined with big city cultural opportunities. A population of 81,816 that comes from widely diverse backgrounds makes Lawrence an outstanding place to live and raise a family.

Psychology Today calls Lawrence one of the 25 least-stressful cities in which to live. A community that supports the University of Kansas with its heart and soul, Lawrence envelopes the students so they too think of Lawrence as their own hometown.

Lawrence is well known for the arts, alternative music and downtown shops, galleries and restaurants.

TRADITIONS

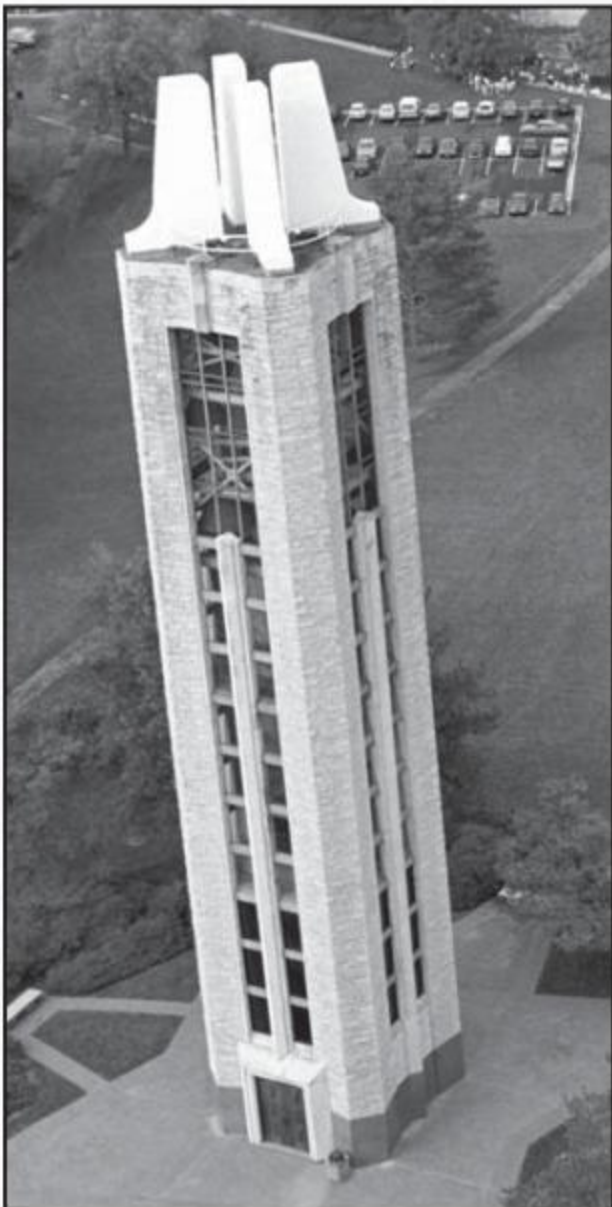

THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. Bailey wanted a cheer for his Science Club. Returning from a convention in Wichita, Bailey and some associates patterned a yell after the rhythmic cadence of their train rolling along the tracks. On May 21, 1886, Bailey submitted the cheer to his club. Even though there was no football team at KU until 1890, the Rock Chalk Chant tradition steadily grew.

Before the University adopted the cheer in 1897, it consisted of "Rah, Rah, Jayhawk, KU" being repeated three times. An English professor soon suggested that "Rock Chalk" be substituted for "Rah, Rah" because it rhymed with Jayhawk. "Rock Chalk" was also symbolic of the chalky limestone formations found on Mount Oread. Professor Bailey would be amazed to hear 50,000 Jayhawk football fans shouting the cheer he gave his Science Club in 1886; a cheer that Teddy Roosevelt said was the best he had ever heard.

CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southeast of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

WAVING THE WHEAT

Since the early days of KU football, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive. The ritual consists of fans waving their arms in the air, an activity which, when done by a large Memorial Stadium crowd, resembles a breezy Kansas wheat field.

THE NICKNAME

During the Civil War a regiment raised by Kansas Governor Charles Robinson called itself the "Independent Mounted Jayhawks" (later officially the First Kansas Cavalry and then the Seventh Kansas Regiment). By the end of the Civil War the word Jayhawk was associated with the spirit of camaraderie and the courageous fighting qualities that characterized efforts to keep Kansas a free state.

By 1886, the University of Kansas had adopted the mythical bird as part of the KU yell. When the university's football team first took the field in 1890, it seemed only natural that they should be called Jayhawkers. Few colleges and universities have such a meaningful symbol, one so deeply associated with the struggles of the people who founded them.

THE FIGHT SONG

George "Dumpy" Bowles, a student with the class of 1912, longed to make a great contribution to KU spirit, but wasn't athletic enough to do historic deeds on the athletic field. He turned to music and produced some outstanding student musical shows.

A song in one of these shows was "I'm a Jayhawk." Written in 1912, it was dormant until 1920 when a growth in school spirit brought out "I'm a Jayhawk" once more. The song contributed to the raising of funds to build both the stadium and union as World War I memorials. The 1926 glee club made it known nationally.
